
Innovate.
Lead.
Transform.
INSTITUTE OF
INNOVATION
A technology-focused institute shaping
future-ready careers in computer science
and emerging technologies.

Founder's Message

"At Physics Wallah, we aim to provide accessible, comprehensive, and innovative learning experiences to aspirants, regardless of their background."

Mr. Prateek Maheshwari
(Co-Founder- Physics Wallah)

Leader's Vision

"Our vision is to create an institution where students do not just learn technology, but learn to build with it. By combining strong academic foundations with practical exposure, we aim to prepare individuals who can shape the future of the digital world."

MR. GOPAL SHARMA
Chief Operating Officer at Physics Wallah
Reputed Alumni of IIT BHU - Gold Medallist
14+ YEARS OF EXPERIENCE

Our Program

Physics Wallah IOI partners with **Medhavi Skills University (MSU)** as its Industry Skilling Partner, enabling on-the-job learning, experiential exposure, and industry immersion as part of the curriculum. Students earn **Microsoft Certifications** that validate in-demand technology and AI skills.

Key Focus Areas

- Core Computer Science Fundamentals
- Programming & Software Development
- Specialisation in Artificial Intelligence & Machine Learning
- Data Analytics and Artificial Intelligence
- Practical Projects and Applied Learning

SCHOOL OF TECHNOLOGY

4-year Integrated B.Tech in Computer Science & AI

Future-Ready Learning Ecosystem

Apple Enabled School
Powered by Datalogics

At PW IOI School of Technology (SOT), students learn in a technology-first ecosystem where every student receives a high-end MacBook at admission. As an Apple Enabled School powered by Datalogics, PW IOI leverages Apple School Manager (ASM) to provide a secure, centrally managed, industry-ready Apple learning environment.

- Apple-powered classrooms for interactive learning
- 200 GB cloud storage for every student
- Real-time collaboration and content sharing
- Secure, centrally managed learning environment

Microsoft Certifications

Students gain access to globally recognized Microsoft certifications, strengthening their technical expertise and career readiness.

- Microsoft Certifications are included in the curriculum, enabling students to earn valuable credentials alongside their degree.
- Industry-recognized certifications valued by employers worldwide.
- Stronger professional profiles for internships, placements, and future career opportunities.
- Opportunity to demonstrate proficiency in emerging technologies, cloud platforms, data analytics, cybersecurity, and AI-driven solutions.
- Validation of technical expertise through globally recognized credentials that improve employability in the digital economy.
- Continuous exposure to industry-standard tools and practices aligned with current workforce demands.

Why PW IOI Stands Apart

PW IOI is built as a future-ready tech institute, blending strong academics, designed to shape students into industry-ready professionals from day one.

AI-First, Industry-Native Curriculum

- Curriculum designed with industry experts & academic mentors
- Strong focus on AI, ML, & Full Stack Development
- Hands-on learning with modern tools & projects
- Continuously updated to match evolving industry trends

Learn from Stellar Mentors

- Guidance from experienced faculty & industry professionals
- Insights from experts working in leading tech companies
- Regular guest lectures, workshops, & expert sessions
- Personalized academic and career mentorship

Professional & Communication Excellence

- Training in communication and professional skills
- Mock interviews and placement-focused preparation
- Resume building and personal branding support
- Development of teamwork, leadership, and workplace etiquette

Industry Exposure & Student Benefits

- Participation in hackathons & innovation competitions
- Workshops on cutting-edge technologies and tools
- Internship opportunities with stipends up to ₹50,000
- Student benefits including MacBook on Day 1 and scholarships up to 100%

Experience the Difference

	INSTITUTE OF INNOVATION	TRADITIONAL COLLEGE
Curriculum Approach	Industry-aligned curriculum & Microsoft certifications	Largely static curriculum with limited alignment to current technology trends
Faculty	Faculty with academic expertise & industry exposure in tech roles	Predominantly academic teaching experience
Learning Method	Project-based learning with problem solving, practical application, and AI tool exposure	Theory-heavy instruction and written examinations
Mentorship	Guided mentorship from experienced faculty and practitioners	Limited structured academic guidance
Internship Exposure	Internship exposure integrated as part of the academic program	Minimal structured support for internships
Career Readiness	Academic excellence with industry skills in an Apple-enabled environment	Additional training often required after graduation
Professional Networking	Structured opportunities to engage with industry professionals	Limited opportunities for professional interaction
Beyond Academics	LeapX, Hackathons, OJT every semester, Robotics club	Limited innovation-driven initiatives

PW Startup Incubation Centre
powered by PW SoS

PW Startup Incubation Centre powered by PW SoS supports aspiring entrepreneurs across Bharat with mentorship, training, funding, & industry exposure. Open to PW IOI students & innovators, it enables startup ideation, product development, & scaling.

PW SoS AI Startup Challenge

A national platform to discover & accelerate AI innovation.

- Student Innovation Challenge
- ₹5 Crore Fund Pool
- AI Conference
- Startup Funding Challenge

Scholarships

At PW IOI, scholarships are designed to recognise academic merit and support deserving students, ensuring that financial considerations do not limit access to quality education.

Merit-based Scholarship

EWS Scholarship based on family income

₹3 CRORE

GRANTS FOR EXCELLENCE IN SPORTS, CULTURAL ACTIVITIES, RESEARCH & INNOVATION

(Entrance scholarships at the time of admission, with performance-based scholarships available from 2nd year onwards based on previous year performance)

Academic Scholarship up to 100%*

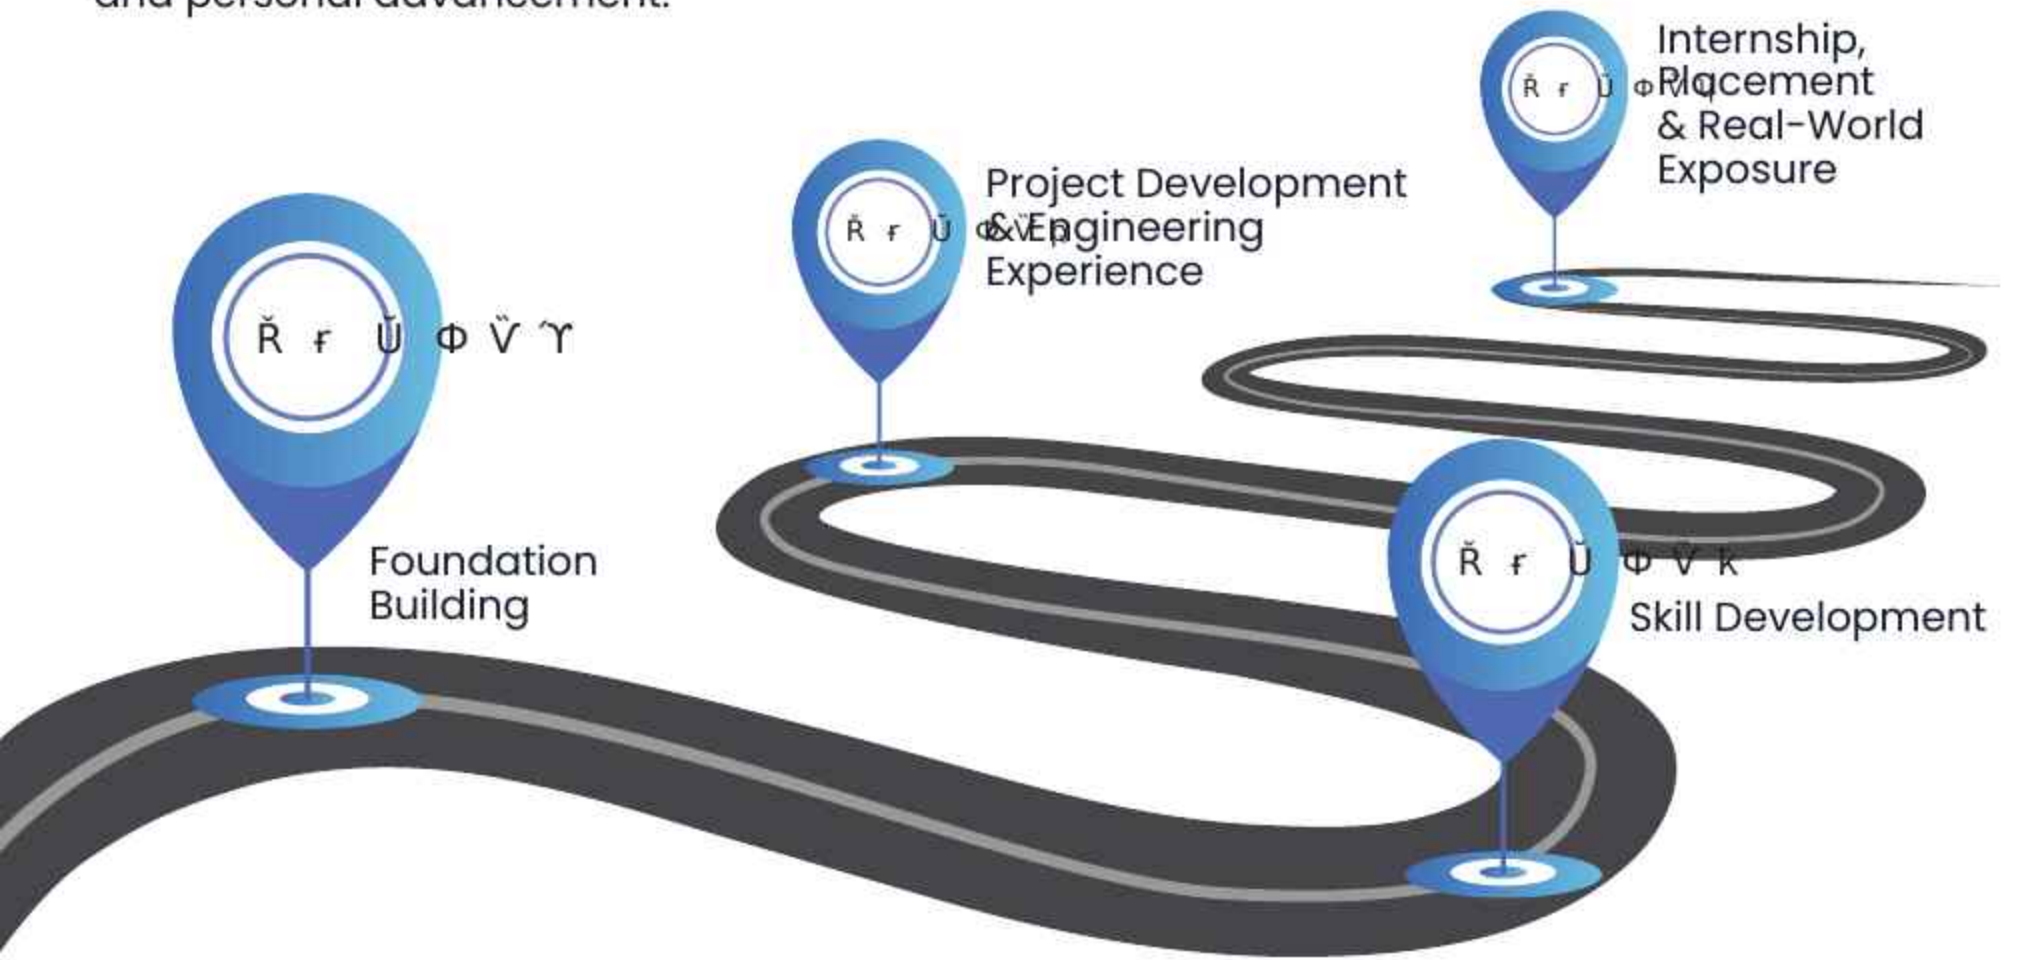

#EmpowerHer For female students

*Scholarships are applicable on the academic fee component only. T&C Apply

The Student Development Path

A thoughtfully designed four-year journey that supports academic growth, skill development, and long-term professional and personal advancement.

Industry Partnerships

Bridging Academic Learning with Industry Practice

A strong network of **350+** industry and hiring partners enables meaningful exposure and opportunities.

OUR CAMPUSES
Empowering Education Across India

LUCKNOW - SOT
A historic city where tradition meets modern opportunity

NOIDA - SOT
Access to leading corporations & unparalleled networking opportunities

BENGALURU - SOT
India's Silicon Valley, a global hub for tech innovation & entrepreneurship

PUNE - SOT
The Oxford of the East, known for its academic & industrial collaboration

Bangalore Campus

Located in India's tech capital, the Bangalore campus offers students exposure to innovation, startups, and global career opportunities. Surrounded by leading tech companies and a vibrant student culture, the campus provides the perfect environment for hands-on learning, networking, and professional growth.

Mohammad Fraz
Director
Ex-Google Engineer,
LearnYard Founder
DTU alum

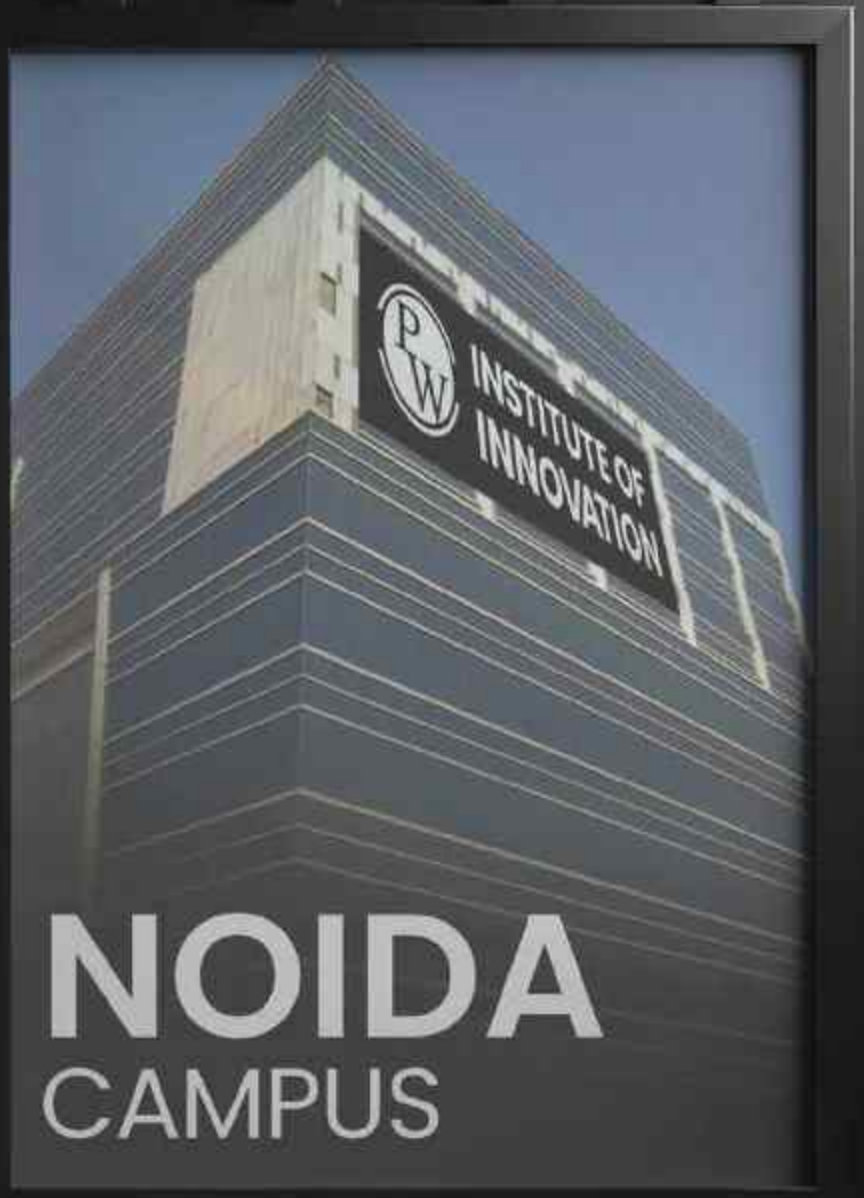

Noida Campus

Located in the heart of the National Capital Region, the Noida campus offers students strong exposure to technology, business, and corporate ecosystems. Surrounded by leading companies such as Samsung, Paytm, EY, and Accenture, the campus provides an ideal environment for industry networking, practical learning, and career-focused growth.

Akshit Dubey
Director

MBA 12+ years of multifaceted experience, 360° cross-industry perspective

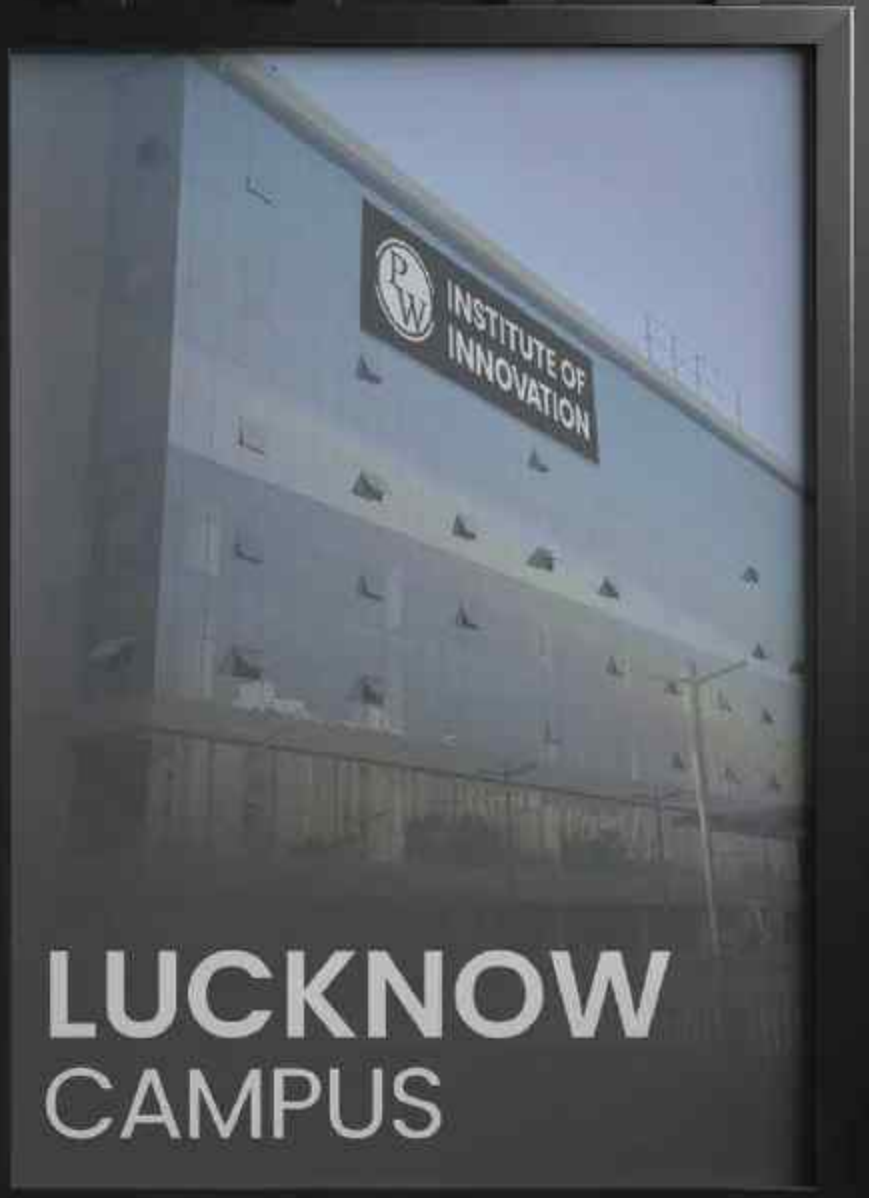

Lucknow Campus

Located in one of Lucknow's growing education & commercial hubs, the campus offers students a focused environment for learning and career development. Surrounded by prominent destinations such as the emerging Ansal API IT City, the campus provides strong exposure to industry, technology, and professional opportunities.

Chetan Sharma
Director
PhD (Awaited) in Management, ICFAI University,
19+ years of experience

Pune Campus

Located in Pune, widely known as the "Oxford of the East," the campus offers students a strong blend of academic excellence & industry exposure. Surrounded by major business hubs like Magarpatta City and SP Infocity, with global companies such as IBM, Cognizant & Accenture nearby, the campus creates an ideal environment for learning, networking, and career growth.

Dr. Sujeet Kumar
Director
Ph.D. (JNU),
ex-AIIMS(New Delhi)
Post Doc (USA & Canada)
24+ years of exp. in Higher Education & Academics

Board Of Studies

Working with organisations across technology, consulting, and enterprise to enable practical exposure and career readiness

GOPAL SHARMA
COO At PW
IIT-BHU, Gold Medalist

SATISH SHARMA
CMO at PW
IIT-BHU | Ex Unyscape Infocom, IBM

HIMANSHU SHEKHAR
Senior Director at PW
Ex Oracle,
AppsForBharat

ROUNAQ MUSTAFA
Head of PW School of Startups
Ex CEO IIM, Lucknow Enterprise Incubation Centre

AMRIT RAJ
Head of Higher Education at PW
IIM-Bangalore

MOHAMMAD FRAZ
Director
Bangalore Campus

AKSHIT DUBEY
Director
Noida Campus

CHETAN SHARMA
Director
Lucknow Campus

DR. SUJEET KUMAR
Director
Pune Campus

DR. SAPNA NIBSAIYA
Academic Head
PhysicsWallah

ABHISHEK TIWARI
CPO at PW
IIT-Bombay | Ex Gocardless, Treebo Hotels

ATUL KUMAR
CEO at PW Online
IIM-Ahemedabad | Industry Expert

Meet Our Faculty

Working with organisations across technology, consulting, and enterprise to enable practical exposure and career readiness

NITIN M

Bangalore Campus | 12+ years
Professor Java & FSD
Ex IGate, ABC, iNeuron, PWSkills

SYED ZABI ULLA

Bangalore Campus | 8+ years
Professor of Programming Languages, Backend Development

SATYA SAI

Bangalore Campus | 6+ years
Professor Data Structures & Algorithm at PW
Ex Amazon

SAURABH MOHARIKAR

Bangalore Campus | 18+ years
Professor of ML, OS, AIML, Engg Mathematics, Aptitude, Ex Newton School

PRAKASH NIMBALKAR

Bangalore Campus | 33+ years
Professor FSD at PW
Ex CRIO, Newton School

ANISHA KOSHY

Bangalore Campus | 6+ years
English Communication, Soft Skills, Interview Preparation,
Ex Jain University

RISHAV UPADHYAY

Bangalore Campus | 12+ years
Professor Fundamental of Computer Science
MSc Computer Science | Gold Medalist | UGC-NET

SARAN S

Bangalore Campus | 15+ years
Mentor for Soft Skills, Project Management
Ex Dell International Services, E&Y

RAM TOTKAR

Lucknow Campus | 5+ years
Professor Fundamental of Computer Science, DSA, Ex Pune University

ADFAR RASHEED

Professor FSD at PW
Ex CRIO, Newton School

USAMA AMEEN
Lucknow Campus | 7+ years
Professor (HOD), FSD
Ex Textbook, Dropout

NATASHA DAHIYA
Lucknow Campus | 4+years
Professor Programming Language

UTPAL TRIPATHI
Lucknow Campus | 1+ years
Associate Professor AI & ML
Ex Mangos Orange Pvt. Ltd.

SHIVANSH SAHU
Lucknow Campus | 1+ years
Associate Professor Programming Language, DSA

AZAM KHAN
Lucknow Campus | 3+ years
Soft Skill Trainer

TAQI UR REHMAN NIAZI
Lucknow Campus | 1+ years
Associate Professor
Full Stack Software Development

ROOPAL CHAUDHARY
Noida Campus | 1+ years
Professor Organizational Behavior, HR Management

ABHIJEET KAR
Noida Campus | 10+ years
Professor Programming Languages, Computer Systems
Ex Samsung Inc.

ABHAY K. VIKRAM
Noida Campus | 3+ years
Professor Full Stack Software Development

PRERIT SAXENA
Noida Campus | 1+ years
Professor DSA & Full Stack Software Development

PARAS CHAUHAN
Noida Campus | 1+ years
Professor DSA & Fundamentals of Computer

VARSHA CHOUDHARY
Noida Campus | 12+ years
Professor Fundamental of CS at PW
Ex GeeksforGeeks

DIVYANSHI BHADORIA
Noida Campus | 1+ years
Professor Mathematics, Data Science

SURAJ PRATAP SINGH
Noida Campus | 1+ years
Professor Business Analytics, Analytical Methods

DILJIT KAUR
Noida Campus | 3+ years
Professor English Communication, Soft Skills, Interview Preparation

PRADYUMN TRIPATHI

Noida Campus | 1+ years
Professor Programming Fundamentals, Applied Mathematics

NIDA TAUHEED

Noida Campus | 3+ years
Professor English Communication, Student Mentorship

DHARMARAJ THAKAJI PAWALE

Pune Campus | 22+ years
Professor FSD, Freelance IT Consultant (India & International)

ISHIKA SINGH

Pune Campus | 1+ year
Associate Professor Data Structures & Algorithm

NISHA CHAUBE

Pune Campus | 8+ years
Professor Programming Languages
Ex Professor at Govt affiliated Colleges

KHUSHI SAXENA

Pune Campus | 1+ years
Associate Professor Mathematics, DS
Ex GeeksforGeeks

GURMINDER SINGH BHAMRAH

Pune Campus | 5+ years
Professor English Communication, Soft Skills, Interview Preparation
Ex Apeejay Tea Ltd.

SHUBHAM BANSAL

Pune Campus | 6+ years
Professor Fundamental of Computer Science, Ex Scaler, Simption Tech

Inside the Fabric of IOI

Where passionate minds connect through events, clubs, and shared experiences, building a culture of innovation, belonging, and growth at PW IOI.

AWS HACKATHON

SOCIAL WELFARE

RIFT HACKATHON

E-CELL

The Entrepreneurship Cell (E-Cell) at the PW Institute of Innovation (PW IOI) is a student-driven initiative focused on fostering startups and developing business skills. Operating across campuses like Bengaluru, Noida, and Lucknow, it helps students turn ideas into execution through live workshops, mentorship, and pitch events.

LeapX

PW LeapX is the startup execution arm of the Physics Wallah Institute of Innovation (PW IOI). It functions as an accelerator that translates raw business ideas into market-ready products by providing essential tech, product, and software development support to early-stage ventures.

Cultural Events:

Internships & Industry Exposure

89%* of the SOT'23 cohort secured internships, with stipends reaching **₹50,000** and a batch average of **₹24,000**.

ROHIT MAKANI (SOT 23)
Ikshan AI, AI Intern

HARSH TIWARI (SOT 23)
Jumpp, Product and Growth Intern

SHOYEB ANSARI (SOT 23)
FlexyPe, Backend Intern

AMAN RAJ GUPTA (SOT 23)
Allo Helath, Full Stack Developer Intern

VANSH BALANI (SOT 23)
Allo Helath, Data Science Intern

ADITYA GUPTA (SOT 23)
Ikshan AI, AI Intern

ARYAN CHAUHAN (SOT 23)
Allo Helath, Full Stack Developer Intern

MITESH AGRAWAL (SOT 23)
Allo Helath, Full Stack Developer Intern

*Out of eligible students who expressed willingness to participate in placements.

Hear from Our Students

Arya Patel
Bangalore SOT 25

"Before joining PW IOI, I was unsure about my direction. Today, I feel clear,confident, and more focused.The mentors are patient and supportive which has helped me grow steadily."

Shruti
Bangalore SOT 25

"The projects feel relevant and close toreal-world applications.They make learning more engaging and purposeful.It adds a lot of practical value to the overall experience."

Rahul Jagdish Upred
Noida SOT 25

"Joining PW IOI has helped me become more disciplined & consistent in my learning. The structured guidance & supportive mentors have made difficult concepts much easier to understand and apply.

Megha
Noida SOT 25

"The environment at PW IOI is encouraging & growth-oriented. I feel more confident in my abilities now, & the constant motivation from mentors & peers keeps me focused on improving every day"

Shrestha Arya
Pune SOT25

"The curriculum is designed in a very practical and engaging way. The projects and assignments help connect theory with real-world applications, making the learning experience much more meaningful"

Rashi Tiwari
Lucknow SOT 25

"Learning at PW IOI has been a transformative experience for me. The supportive mentors, structured curriculum, and collaborative environment have helped me build confidence and stay focused on achieving my goals."

Shivam Singh
Lucknow SOT 25

"The guidance and mentorship at PW IOI have played a key role in my growth. The hands-on projects and practical learning approach make concepts easier to understand and prepare us for real-world challenges."

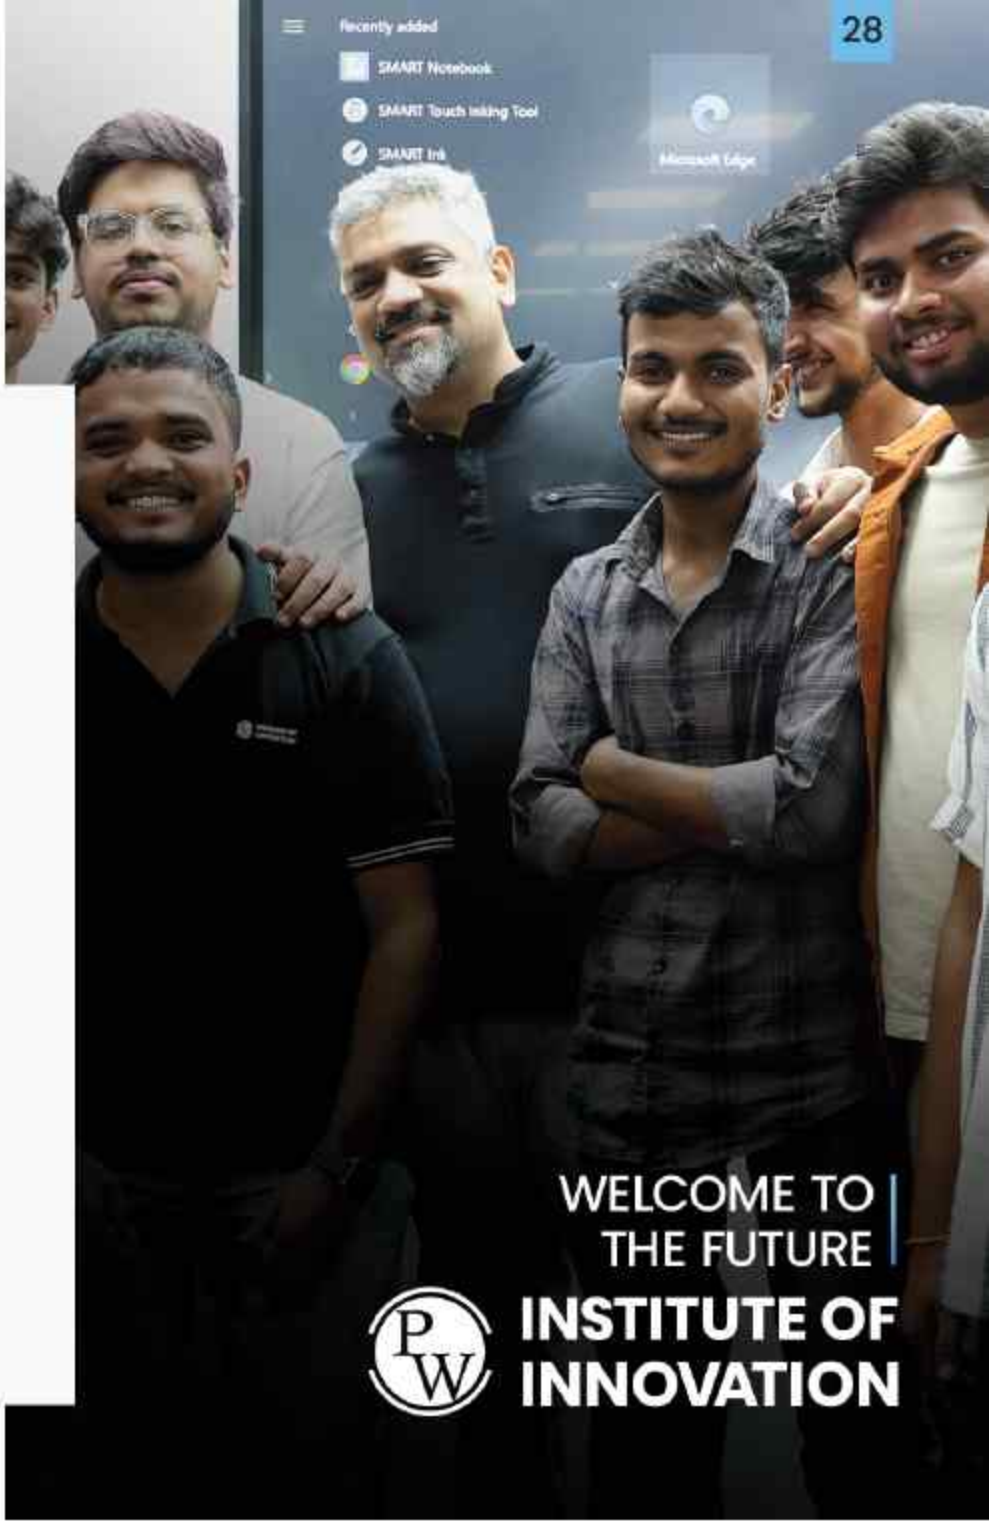

Kshitij Das
Pune SOT 25

"What stands out at PW IOI is the mentorship and personal attention students receive. The mentors genuinely care about our progress and are always ready to guide us whenever we need support".

Begin Your Journey

STEP 1	Log Into Website www.pwioi.com
STEP 2	Fill the Registration Form
STEP 3	Attempt the PW CEE Exam & Video Interview
STEP 4	Personal Interview (for top performers to gain additional scholarship)
STEP 5	Campus Allocation & Scholarship Offer
STEP 6	Admission Confirmation
STEP 7	Program Onboarding

Fast Track Process

Direct Admission is available based on competitive exam scores, as an alternative pathway to the CEE.

Competitive Exam Scores	**Either of the following:** **JEE Main:** 85 percentile and above **CUET:** 600/800 marks and above (Maths compulsory) **MHT CET:** 75 percentile and above **COMEDK:** 108/180 marks and above **BITSAT:** 220/390 marks and above

OR

Class 10th and 12th Board Scores	**SOT:** 80% or above in Class 10th and class 12th.

Register For CEE

- SCAN NOW -

Eligibility

- Candidates who have passed Class 12 (2024, 2025, or 2026)
- Mathematics is compulsory
- Minimum 60% aggregate in Class 10 and Class 12
- Overall pass required in all subjects (theory and practical)

Selection Process

Selection is based on a composite evaluation, which includes:

- Class 10 academic performance
- PW CEE score/competitive exam
- Personal Video Interview

Exam Format

- MCQs: All sections are compulsory [SOT - 35Q] - 60 minutes
- Coding Questions - 7 Questions
- Quantitative Aptitude - 14 Questions
- Logical Reasoning - 14 Questions

Marking Scheme

- +4 for each correct answer
- −1 for each incorrect answer
- No penalty for unattempted questions

Video Interview: 3Q - 15 minutes

- 15 Maximum Marks for Personality and Intent Based Questions
- 30 Maximum Marks for Skills Based Question
- No penalty for unattempted questions

School of Technology

COMMON ENTRANCE EXAM ↗ SYLLABUS

Multiple Choice Questions – 35 Questions Total

The written portion consists of three main sections:

- Coding Questions: 7 Questions
- Quantitative Aptitude: 14 Questions
- Logical Reasoning: 14 Questions

Video Interview – 3 Questions Total

Following the written test, there is a video assessment:

- Focus: Evaluation of personality, intent & skills

Curriculum

SCHOOL OF TECHNOLOGY

	SEMESTER	SUBJECTS/TOPICS COVERED	Type	Credits
Year 1: Core Foundations	SEMESTER 1	Foundations of Programming in Java	Theory/Practical	4
		Fundamentals of Python	Theory	3
		Problem Solving in Python	Theory/Practical	3
		Fundamentals of Business	Theory	3
		English Communication Foundation	Practical	2
		OJT / Frontend Developer (HTML, CSS, JS)	Project / OJT	6
	SEMESTER 2	Statistics with Python	Theory/Practical	4
		Fundamentals of Data Structures and Algorithms Microsoft	Theory/Practical	3
		Computer Organisation and Architecture	Theory/Practical	3
		Data Analysis and Visualisation using Excel and Power BI	Theory/Practical	3
		English Communication Advanced	Practical	2
		OJT / Javascript Web Developer (Advance JS and React)	Project / OJT	6
Year 2: Systems & Data	SEMESTER 3	Advance Data Structures and Algorithms	Theory/Practical	4
		Operating Systems	Theory/Practical	3
		Core Mathematics for AI/ML	Theory/Practical	3
		Database Management System	Theory/Practical	4
		Essential Language Skills	Practical	1
		OJT / Node JS Express JS MongoDB	Project / OJT	6
	SEMESTER 4	Fundamentals of Machine Learning	Theory/Practical	4
		Computer Networks	Theory	3
		System Design	Theory/Practical	2
		Universal Human Values	Theory	3
		Digital Presence & Strategic Networking	Practical	3
		OJT / Java Web Developer (Java and Spring Boot Basics)	Project / OJT	6

Curriculum

SCHOOL OF TECHNOLOGY

	SEMESTER	SUBJECTS/TOPICS COVERED	Type	Credits
Year 3: Advanced Engineering & AI	SEMESTER 5	Advanced System Design	Theory/Practical	2
		Network Security + Cyber Security	Theory/Practical	4
		Advanced ML + Intro Deep Learning	Theory/Practical	4
		Essentials of Digital Marketing	Theory	3
		Business Communication for Professionals	Practical	2
		OJT / (Microservices, Advance Spring Boot and Spring Security)	Project / OJT	6
	SEMESTER 6	Cloud Computing and DevOps Microsoft	Theory/Practical	4
		Deep Learning + GenAI Foundations Microsoft	Theory/Practical	4
		Tech-Product Development	Theory	4
		Employability Skills (Basics)	Practical	3
		OJT / AI and ML Engineer	Project / OJT	6
Year 4: Systems & Data	SEMESTER 7	Software Quality Assurance	Theory/Practical	3
		GenAI & Agentic AI Specialization + Deployment Focus Microsoft	Theory/Practical	4
		Professional Skills (Career Skills)	Practical	3
		Responsible Citizenship	Theory	3
		OJT Elective - 1 - FSD Developer Elective - 3 - Computer Vision and DL Engineer	Project / OJT	8
	SEMESTER 8	Project / Dissertation	Practical	12
		OJT Elective - 2 - Mobile Developer Elective - 4 - DevOps Engineer Elective - 5 - Gen AI Developer	Project / OJT	8

Fee Structure

Fee Component	Bangalore	Noida	Lucknow	Pune
Seat Blocking Fee (One-time)	₹25,000	₹25,000	₹10,000	₹10,000
Course Fees (All Semesters)	₹9,90,000	₹5,80,000	₹5,58,000	₹5,58,000
Security Deposit (Refundable)	₹15,000	₹15,000	₹15,000	₹15,000
Industry Excellence Fees	₹4,37,000	₹3,47,000	₹2,84,000	₹2,84,000
Health Insurance Fees	₹8,000	₹8,000	₹8,000	₹8,000
Total Academic Fees	₹1,470,000	₹9,75,000	₹8,75,000	₹8,75,000

Additional Facilities

Option 1 – Triple Sharing
(Accommodation + Food)

Option 2 – Double Sharing
(Accommodation + Food)

Basic Amenities & Facilities

- Internet availability
- Housekeeping
- Washing facility
- RO water facility
- Basic indoor games
- 24*7 security facility

Important Notes

- Hostel facilities are available at all locations*.
- Hostel seats are limited & allotted on a first-come, first-served basis.
- Hostel allotment is for the full academic year only.
- All facilities are subject to institute policies and terms & conditions.

*Hostel fees are subject to an annual revision of 5–10% based on inflation and related operational costs.
